Who were the 12 disciples of Jesus? These pages will help your Bible class or Sunday School students know who these 12 ordinary men were.

Directions:

1. Print out this entire document.
2. Use pages 2 and 3 to introduce the 12 disciples. Cut out each name badge and distribute to your students. As the students put on the name tags, ask each student to read the name of the disciple and what facts we know about him.
3. Pages 4 and 5 are missing the information at the bottom of the name tag—"I am known for..." Hide the original name tags and this time as you hand out the badges, ask the students to complete the missing information from memory.
4. Pages 6 and 7 are missing the names of the disciples. Have the students guess the names based on what information is listed below the name.
5. Page 8 is for the student's own name. Ask each student to write what he or she would like to be known for. Or have students exchange name tags and write a positive characteristic of his/her friend.

Pages 2 and 3 are complete name tags.

Pages 4 and 5 are missing the names

Pages 6 and 7 are missing the information about each disciple.
