

The Two Builders

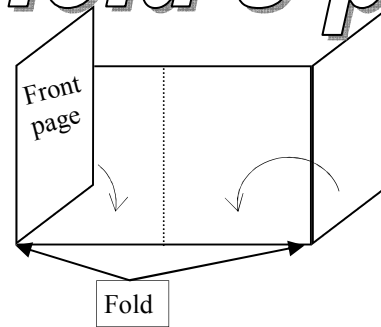

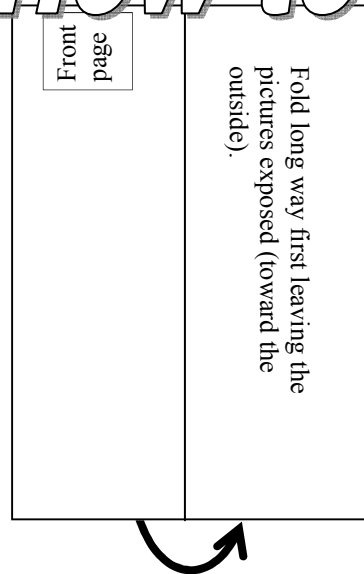

Matthew 7

Directions:

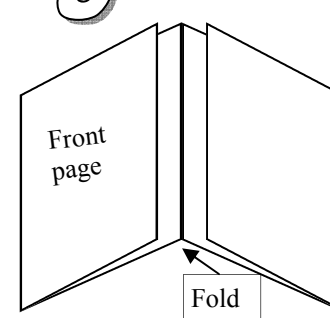

1. Read the parable of the two builders—the wise man and the foolish man in Matthew 7.
2. Print the pages of your choice. Pages 2 and 3 are mini books with 8 pages. Pages 4 and 5 are mini books with 4 pages. Pages 6 through 12 are full-sized pictures suitable for coloring or for telling a story on a classroom wall.
3. Folding instructions: For the 8 page booklet, start by folding the page in half the long way first. For the 4 page book, make the first fold the short way first.
4. Use the booklets and pictures to tell the story and then as a coloring project for the last few minutes of class. At the end of class, send the students home with a story to tell their parents and friends.

How to fold 8 page booklet

Fold first and last page to meet in the center.

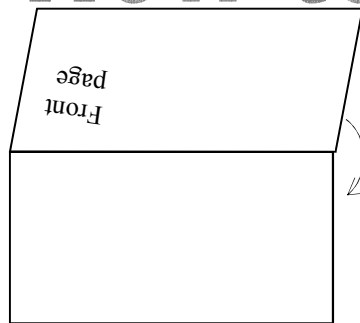

Fold the center and bend backwards.

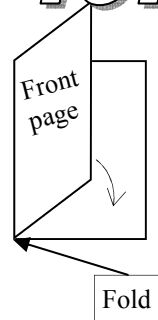

The final booklet is an accordion-style book.

How to fold 4 page booklet

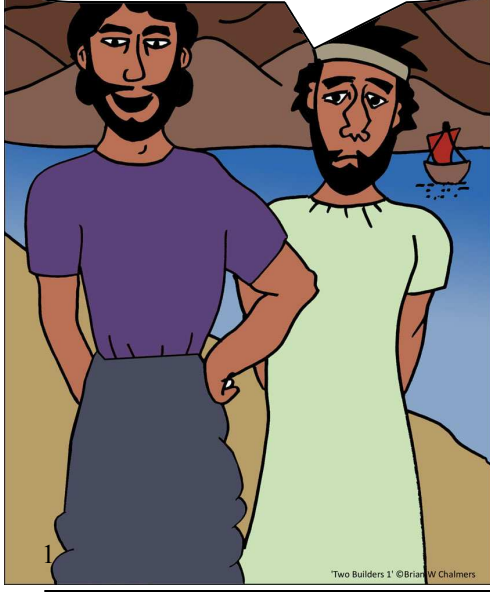

Fold the page the short length first, leaving the pictures visible (outside).

Now fold the opposite direction, leaving the front page as the cover of the book.

We are going to build a house, but we have very different ideas about how to construct it.

The wise man decided to build his house on a foundation of stone.

The foolish man decided to build his house on a foundation of sand.

Everyone then who hears Jesus' words and does them will be like a wise man who built his house on the rock.

And everyone who hears these words of Jesus and does not do them will be like a foolish man who built his house on the sand.
