Look! The Lord is multiplying the fish and loaves. We started with only a small lunch.

Please take some more. There is plenty for all.

They all ate and were satisfied. There were over 5,000 men who ate that day.

We have collected 12 baskets of leftover pieces from the supper. How does that work?

Now sit down in groups of 50 and give them some food. It's time to send all day's wages to buy enough food. We are going to feed this large group of people and then send them home.

Thank you Father for giving us this food. You must have lunch. Lord, it would take 200 days wages to buy enough food for all.

Lord, we have been with you all day. It's time to send this large group of people home so they can get something to eat.

You give them something to eat.

You can have my lunch.

Lord, where is all this food coming from?
The food was distributed to everyone until they were all filled.
This is remarkable. I thought we were going to go hungry today.

This bread is fresh. I've never tasted anything better!
