Moses is Found in a Basket in Nile River—Mini Books and Pictures

Directions:

1. Read the story of Moses’ birth and rescue by Pharaoh’s daughter in Exodus 1.

2. Print the pages of your choice. Pages 2 to 4 are mini books with 8 pages. Pages 6 to the end are full-sized pictures suitable for coloring or for telling a story on a classroom wall.

3. Folding instructions: For the 8 page booklet, start by folding the page in half the long way first. Use the booklets and pictures to tell the story and then as a coloring project for the last few minutes of class. At the end of class, send the students home with a story to tell their parents and friends.

Look at this beautiful baby! It looks like one of the Hebrew children.

Excuse me Princes. I see you found a baby!

Yes. But I need someone to take care of him. Will you find someone to take care of him? Excuse me. This boy needs to be saved.

I don't care what my father says. I will not leave him here!

Now is my chance! I will care for him as if he were my own child.

God certainly answered our prayers. Not only did He save my baby boy, but I can now teach him and train him until he grows up.

Mother, I am sure that he will be a greater answer to prayer when he is grown!

Please take care of this child I found. I will pay you well until he is old enough to become the Prince of Egypt.

Moses was placed in a basket and hidden in the reed by the river in hopes that God would protect him. What will happen to Moses?

I will name him Moses. This boy needs to be saved!

Mother, I am sure that he will be a greater answer to prayer when he is grown!

Hurry mother. The Princes found Moses and now says she needs someone to take care of him.
