

Prophecies about the Messiah Teacher's Page

There are an estimated 300+ prophecies about Christ in the Old Testament. Some of these are very specific references about names, places and quantities that would be an amazing coincidence if they were purely random events. But the Bible claims to be inspired by God. One of the greatest proofs of the reliability of scripture is the fulfilled prophecies from various OT scriptures that appear hundreds of years later in the NT.

Procedure:

Part 1—Have the students read each of the references mentioned below and write the name, chapter and verse of each one in the lines numbers 1 to 8.
